

Imaging Workshop

Date: April 13, 2017, 8:45 a.m.-5:30 p.m.
Location: Donald Danforth Plant Science Center
975 North Warson Road
Saint Louis, MO 63132

The EPSCoR imaging workshop will be held April 13, 2017 at the Donald Danforth Plant Science Center in Saint Louis, MO. The purpose of the workshop is to link imaging and image processing to phenotyping and to share collective capacity on plant imaging technology and data. There will be presentations and work groups so that researchers can interact with each other's data. There will also be opportunities for imaging equipment demonstrations and presentations during breaks and lunch. There is a \$25.00 registration fee to attend this workshop.

Click [here](#) for hotel accommodation at the [Drury Inn and Suites-Creve Coeur](#) located at 11980 Olive Blvd, Creve Coeur, MO 63141. If you require shuttle service between the Drury and the Danforth Center, please request during check-in.
